## ...We Did

Sadly at this moment in time we are unable to secure a space at York Hospital to create a Staff Gym

However, we absolutely want to try our best to help you get a great deal on your workouts!

If you can't see your favourite Gym on our discounted Gyms webpage, please let us know and we will contact them to try and arrange a discount!

Not a York resident? Don't worry, please still let us know your local Gym and we will contact them
