You Said...

“Come to outlying clinics for staff who do not work in York Hospital”

“Try to offer more to community staff and communicate better with teams offsite”

“We are unable to access any of the fairs, shops etc as we are based away from the main hospital sites and shifts etc do not allow us to attend so the teams do miss out on a lot”

“There needs to be more of a presence in the community buildings”

“Please remember that off-site staff when there is a special offer or freebie promotion. Not all staff can spare the time or is able to call at the staff shop or the Hub to take advantage of special offers or freebies.”

“Include off site workforce”

...We Did

We visited 18 community sites across York, Scarborough, Harrogate, Hull and Easingwold. Handing out over 800+ bags containing information on our Staff Benefits package, how to access us and a few freebies!
