

Staff Benefits Survey

You Said...

I enjoy when companies visit the staff shop and set up a stall

More independent stalls who would come onsite

More stalls like when Body Shop come in

Have small satellite shops/ Stalls at other sites

...We Did

The Hub at York Hospital has a full calendar of both internal and external stalls but unfortunately without the same space at other sites it is harder to have external companies visit. We will however be working throughout 2024 to introduce as many site visits as possible. To keep up to date with all external visitors make sure you are following our Facebook and Instagram pages!
