The Physical Activity Grant has always been available for staff to apply – full details of it, and the Weight Management Grant, can be found on the Staff Benefits website – [www.york.nhs.uk/staffbenefitsgrants](http://www.york.nhs.uk/staffbenefitsgrants).

The Sports Team Grant was withdrawn due to being underutilised. The funding for this grant is being re-allocated to a new grant due to be announced later in 2024 – Watch this space!
