

Staff Benefits Survey

You Said...

“Health insurance”

“Dentist Package”

“You can add some medical insurance services”

“Dentist”

“Free dentist package”

...We Did

Did you know, our partners Simplyhealth offer a cash health plan that allows you to claim your money back towards everyday health treatments such as optician appointments and glasses, dental treatments and body maintenance.

As well as claiming money back towards health treatments you also get access to discounts, video health services and helplines.

You can find out more by visiting the Staff Benefits Website www.york.nhs.uk/simplyhealth
