“More posts on social media”

## ...We Did

We already post between 1 -3 posts daily across our socials, which is a good amount of posting.

What we would love to know is if the content we are posting, is the content you want to see?

Let us know what you would like to see more of!

Do you want us to advertise more offers? Tutorials on how to use schemes or find areas on our website? Events? What we are up to? Wellbeing support? Share your ideas and suggestions by emailing [yhs-tr.staffbenefits@nhs.net](mailto:yhs-tr.staffbenefits@nhs.net)

Didn't know we have socials? Follow us on Facebook 'Staff Benefits YHFT' and Instagram '@staffbenefits' to keep up to date with all our latest schemes, offers and goings on
