STV46. The quota

STV46.1 The returning officer is to divide the number of valid ballot documents by a number exceeding by one the number of members to be elected.

STV46.2 The result, increased by one, of the division under rule STV46.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

STV46.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules STV47.1 to STV47.3 has been complied with.

STV47. Transfer of votes

- STV47.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot documents on which first preference votes are given for that candidate into sub- parcels so that they are grouped:
- (a) according to next available preference given on those ballot documents for any continuing candidate, or
 - (b) where no such preference is given, as the sub-parcel of non-transferable votes.
- STV47.2 The returning officer is to count the number of ballot documents in each parcel referred to in rule STV47.1.
- STV47.3 The returning officer is, in accordance with this rule and rule STV48, to transfer each sub-parcel of ballot documents referred to in rule STV47.1(a) to the candidate for whom the next available preference is given on those ballot documents.
- STV47.4 The vote on each ballot document transferred under rule STV47.3 shall be at a value (“the transfer value”) which:
- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
 - (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot documents on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).
- STV47.5 Where at the end of any stage of the count involving the transfer of ballot documents, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot documents in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:
- (a) according to the next available preference given on those ballot documents for any continuing candidate, or
 - (b) where no such preference is given, as the sub-parcel of non-transferable votes.
- STV47.6 The returning officer is, in accordance with this rule and rule STV48, to transfer each sub-parcel of ballot documents referred to in rule STV47.5(a) to the candidate for whom the next available preference is given on those ballot documents.
- STV47.7 The vote on each ballot document transferred under rule STV47.6 shall be at:
- (a) a transfer value calculated as set out in rule STV47.4(b), or
 - (b) at the value at which that vote was received by the candidate from whom it is now being transferred,
- whichever is the less.
- STV47.8 Each transfer of a surplus constitutes a stage in the count.
- STV47.9 Subject to rule STV47.10, the returning officer shall proceed to transfer transferable ballot documents until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.
- STV47.10 Transferable ballot documents shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:

- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
- (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

STV47.11 This rule does not apply at an election where there is only one vacancy.

STV48. Supplementary provisions on transfer

STV48.1 If, at any stage of the count, two or more candidates have surpluses, the transferable ballot documents of the candidate with the highest surplus shall be transferred first, and if:

- (a) The surpluses determined in respect of two or more candidates are equal, the transferable ballot documents of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
- (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballot documents of the candidate on whom the lot falls shall be transferred first.

STV48.2 The returning officer shall, on each transfer of transferable ballot documents under rule STV47:

- (a) record the total value of the votes transferred to each candidate,
- (b) add that value to the previous total of votes recorded for each candidate and record the new total,
- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- (d) compare:
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

STV48.3 All ballot documents transferred under rule STV47 or STV49 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot document or, as the case may be, all the ballot documents in that sub-parcel.

STV48.4 Where a ballot document is so marked that it is unclear to the returning officer at any stage of the count under rule STV47 or STV49 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot document as a non-transferable vote; and votes on a ballot document shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV49. Exclusion of candidates

STV49.1 If:

- (a) all transferable ballot documents which under the provisions of rule STV47 (including that rule as applied by rule STV49.11) and this rule are required to be transferred, have been transferred, and

(b) subject to rule STV50, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule STV49.12 applies, the candidates with the then lowest votes).

STV9.2 The returning officer shall sort all the ballot documents on which first preference votes are given for the candidate or candidates excluded under rule STV49.1 into two sub-parcels so that they are grouped as:

(a) ballot documents on which a next available preference is given, and

(b) ballot documents on which no such preference is given (thereby including ballot documents on which preferences are given only for candidates who are deemed to be elected or are excluded).

STV49.3 The returning officer shall, in accordance with this rule and rule STV48, transfer each sub-parcel of ballot documents referred to in rule STV49.2 to the candidate for whom the next available preference is given on those ballot documents.

STV49.4 The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

STV49.5 If, subject to rule STV50, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballot documents, if any, which had been transferred to any candidate excluded under rule STV49.1 into sub-parcels according to their transfer value.

STV49.6 The returning officer shall transfer those ballot documents in the sub-parcel of transferable ballot documents with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballot documents (thereby passing over candidates who are deemed to be elected or are excluded).

STV49.7 The vote on each transferable ballot document transferred under rule STV49.6 shall be at the value at which that vote was received by the candidate excluded under rule STV49.1.

STV9.8 Any ballot documents on which no next available preferences have been expressed shall be set aside as non-transferable votes.

STV49.9 After the returning officer has completed the transfer of the ballot documents in the sub-parcel of ballot documents with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot documents with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under rule STV49.1.

STV49.10 The returning officer shall after each stage of the count completed under this rule:

(a) record:

(i) the total value of votes, or

(ii) the total transfer value of votes transferred to each candidate,

(b) add that total to the previous total of votes recorded for each candidate and record the new total,

(c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and

(d) compare:

(i) the total number of votes then recorded for each candidate together with

- the total number of non-transferable votes, with
- (ii) the recorded total of valid first preference votes.

STV49.11 If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules STV47.5 to STV47.10 and rule STV48.

STV49.12 Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

STV49.13 If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:

- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and
- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

STV50. Filling of last vacancies

STV50.1 Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

STV50.2 Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

STV50.3 Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

STV51. Order of election of candidates

STV51.1 The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule STV47.10.

STV51.2 A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

STV51.3 Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

STV51.4 Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

FPP51. Equality of votes

- FPP51.1 Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

PART 7: FINAL PROCEEDINGS IN CONTESTED AND UNCONTESTED ELECTIONS

FPP52. Declaration of result for contested elections

- FPP52.1 In a contested election, when the result of the poll has been ascertained, the returning officer is to:

“preference” as used in the following contexts has the meaning assigned below–

- (a) “first preference” means the figure “1” or any mark or word which clearly indicates a first (or only) preference,
- (b) “next available preference” means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and
- (c) in this context, a “second preference” is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule stv41 below,

“surplus” means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable papers from the candidate who has the surplus,

“stage of the count” means –

37. Arrangements for counting of the votes – The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

38. The count – (1) The returning officer is to –

- (a) count and record the number of ballot papers that have been returned, and
- (b) count the votes according to the provisions in this Part of the rules.

(2) The returning officer, while counting and recording the number of ballot papers and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper.

(3) The returning officer is to proceed continuously with counting the votes as far as is practicable.

Stv39. Rejected ballot papers – (1) Any ballot paper –

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

(2) The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

(3) The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of paragraph (1).

fpp39. Rejected ballot papers – (1) Any ballot paper –

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which votes are given for more candidates than the voter is entitled to vote,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall, subject to paragraphs (2) and (3) below, be rejected and not counted.

(2) Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

(3) A ballot paper on which a vote is marked –

- (a) elsewhere than in the proper place,
- (b) otherwise than by means of a clear mark,
- (c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that they can be identified by it.

(4) The returning officer is to –

- (a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
- (b) in the case of a ballot paper on which any vote is counted under paragraph (2) or (3) above, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

(5) The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings –

- (a) does not bear proper features that have been incorporated into the ballot paper,
- (b) voting for more candidates than the voter is entitled to,
- (c) writing or mark by which voter could be identified, and
- (d) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of ballot papers rejected in part.

stv40. First stage – (1) The returning officer is to sort the ballot papers into parcels according to the candidates for whom the first preference votes are given.

(2) The returning officer is to then count the number of first preference votes given on ballot papers for each candidate, and is to record those numbers.

(3) The returning officer is to also ascertain and record the number of valid ballot papers.

stv41. The quota – (1) The returning officer is to divide the number of valid ballot papers by a number exceeding by one the number of members to be elected.

(2) The result, increased by one, of the division under paragraph (1) above (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

(3) At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in paragraphs (1) to (3) of rule stv44 has been complied with.

stv42. Transfer of votes – (1) Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot papers on which first preference votes are given for that candidate into sub-parcels so that they are grouped –

- (a) according to next available preference given on those papers for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

(2) The returning officer is to count the number of ballot papers in each parcel referred to in paragraph (1) above.

(3) The returning officer is, in accordance with this rule and rule stv43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (1)(a) to the candidate for whom the next available preference is given on those papers.

(4) The vote on each ballot paper transferred under paragraph (3) above shall be at a value (“the transfer value”) which –

- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
- (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot papers on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

(5) Where at the end of any stage of the count involving the transfer of ballot papers, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot papers in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped –

- (a) according to the next available preference given on those papers for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

(6) The returning officer is, in accordance with this rule and rule stv43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (5)(a) to the candidate for whom the next available preference is given on those papers.

(7) The vote on each ballot paper transferred under paragraph (6) shall be at –

- (a) a transfer value calculated as set out in paragraph (4)(b) above, or
- (b) at the value at which that vote was received by the candidate from whom it is now being transferred,

whichever is the less.

(8) Each transfer of a surplus constitutes a stage in the count.

(9) Subject to paragraph (10), the returning officer shall proceed to transfer transferable papers until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

(10) Transferable papers shall not be liable to be transferred where any surplus

or surpluses which, at a particular stage of the count, have not already been transferred, are –

- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
- (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

(11) This rule does not apply at an election where there is only one vacancy.

stv43. Supplementary provisions on transfer – (1) If, at any stage of the count, two or more candidates have surpluses, the transferable papers of the candidate with the highest surplus shall be transferred first, and if –

- (a) The surpluses determined in respect of two or more candidates are equal, the transferable papers of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
- (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable papers of the candidate on whom the lot falls shall be transferred first.

(2) The returning officer shall, on each transfer of transferable papers under rule stv42 above –

- (a) record the total value of the votes transferred to each candidate,
- (b) add that value to the previous total of votes recorded for each candidate and record the new total,
- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- (d) compare—
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

(3) All ballot papers transferred under rule stv42 or stv44 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that paper or, as the case may be, all the papers in that sub-parcel.

(4) Where a ballot paper is so marked that it is unclear to the returning officer at any stage of the count under rule stv42 or stv44 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot paper as a non-transferable vote; and votes on a ballot paper shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

stv44. Exclusion of candidates – (1) If—

- (a) all transferable papers which under the provisions of rule stv42 above (including that rule as applied by paragraph (11) below) and this rule are required to be transferred, have been transferred, and
- (b) subject to rule stv45 below, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where paragraph (12) below applies, the candidates with the then lowest votes).

(2) The returning officer shall sort all the ballot papers on which first preference votes are given for the candidate or candidates excluded under paragraph (1) above into two sub-parcels so that they are grouped as—

- (a) ballot papers on which a next available preference is given, and
- (b) ballot papers on which no such preference is given (thereby including ballot papers on which preferences are given only for candidates who are deemed to be elected or are excluded).

(3) The returning officer shall, in accordance with this rule and rule stv43 above, transfer each sub-parcel of ballot papers referred to in paragraph (2)(a) above to the candidate for whom the next available preference is given on those papers.

(4) The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

(5) If, subject to rule stv45 below, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable papers, if any, which had been transferred to any candidate excluded under paragraph (1) above into sub-parcels according to their transfer value.

(6) The returning officer shall transfer those papers in the sub-parcel of transferable papers with the highest transfer value to the continuing candidates in

accordance with the next available preferences given on those papers (thereby passing over candidates who are deemed to be elected or are excluded).

(7) The vote on each transferable paper transferred under paragraph (6) above shall be at the value at which that vote was received by the candidate excluded under paragraph (1) above.

(8) Any papers on which no next available preferences have been expressed shall be set aside as non-transferable votes.

(9) After the returning officer has completed the transfer of the ballot papers in the sub-parcel of ballot papers with the highest transfer value they shall proceed to transfer in the same way the sub-parcel of ballot papers with the next highest value and so on until they have dealt with each sub-parcel of a candidate excluded under paragraph (1) above.

(10) The returning officer shall after each stage of the count completed under this rule—

- (a) record –
 - (i) the total value of votes, or
 - (ii) the total transfer value of votes transferred to each candidate,
- (b) add that total to the previous total of votes recorded for each candidate and record the new total,
- (c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and
- (d) compare—
 - (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

(11) If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with paragraphs (5) to (10) of rule stv42 and rule stv43.

(12) Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

(13) If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest—

- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and
- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

stv45. Filling of last vacancies – (1) Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

(2) Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

(3) Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

stv46. Order of election of candidates – (1) The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule stv42(10) above.

(2) A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which they obtained the quota.

(3) Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

(4) Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

fpp46. Equality of votes – Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

Part 7 – Final proceedings in contested and uncontested elections

fpp47. Declaration of result for contested elections – (1) In a contested election, when the result of the poll has been ascertained, the returning officer is to –

- (a) declare the candidate or candidates whom more votes have been given than for the other candidates, up to the number of vacancies to be filled on the board of governors from the constituency, or class within a constituency, for which the election is being held to be elected,
- (b) give notice of the name of each candidate who they have declared elected—
 - (i) where the election is held under a proposed constitution pursuant to powers conferred on the York & Scarborough Teaching Hospitals NHSFT by Section 33(4) of the 2006 Act, to the Chair of the NHS Trust, or

Part 9 – Death of a candidate during a contested election

fpp54. In all cases, each committee shall have a majority of Public Governors.

45 The Council of Governors will form a Nominations/ Remuneration Committee, a Membership Development Group, a Constitution Review Group and an Out of Hospital Care Group as standing committees. Each of these committees will have terms of reference approved by the whole Council of Governors. The committees will be able to formulate recommendations, which must be approved by the full Council of Governors at a meeting held in public. Such terms of reference shall have effect as if incorporated into these Standing Orders. These Standing Orders shall not apply to joint committees which Governors attend e.g. Transport Committee. These committees are managed by the Executive Directors.

46 A committee appointed under Standing Order 44 may, subject to such directions as may be given by Independent Regulator or the Council of Governors, appoint sub-committees or working groups consisting wholly or partly of members of the particular committee.

47 These Standing Orders shall apply with appropriate alteration to meetings of any committees established by the Council of Governors. The provisions in this section which apply to committees of the Council of Governors shall also be taken to apply to sub-committees of those committees.

48 *Ad hoc* committees of the Council of Governors shall have such terms of reference and powers and be subject to such conditions (such as to reporting back to the Council of Governors), as the Council of Governors shall decide. Such terms of reference shall have effect as if incorporated into these Standing Orders.

49 Committees may not delegate their powers to a sub-committee unless expressly authorised by the Council of Governors.

50 The Council of Governors has the authority to form sub-committees and groups in the execution of their business.

51 The Council of Governors shall approve the proposed terms of reference of the committee which it has formally constituted. Governors will be invited to nominate themselves for membership of the committees or groups. Where the Council of Governors determines that persons who are neither governors, nor directors or officers, shall be appointed to a committee, the terms of such an appointment shall be determined by the Council of Governors subject to the payment of travelling and other expenses being in accordance with such sum as may be determined by the Board of Directors or Independent Regulator.

52 Governors who nominate themselves to be a member of a sub-committee will provide their name to the Secretary within the prescribed timescale. On the occasion of over subscription to a committee or group the Secretary will prepare voting papers for the members of Council of Governors to vote the membership of the committee or group. Once the committee or group membership is established it is for the committee or group to agree the Chairship and the regularity of meetings.

53 Where the Council of Governors is required to appoint persons to a committee or to undertake statutory functions as required by the Sector Regulator, and where such appointments are to operate independently of the Council of Governors or the Board of Directors, such appointment shall be made in accordance with any regulations laid down by the Chief Executive or their nominated officer or any directions or guidance issued by the Sector Regulator from time to time.

- 54 An appointed Governor will be eligible to serve on a committee or group for the duration of their current term of office. At the expiry of that term, the appointed Governor's membership of the committee or group will automatically expire and the Council of Governors will seek nominations for membership of that committee or group from among the appointed Governors. The appointed Governor who has already served on the committee or group will, if re-appointed to the Council of Governors by their sponsoring organisation, be eligible to be nominated to serve on the committee or group again, coterminous with their further term of office.
- 55 An elected Governor will be eligible to serve on a sub-committee for the duration of their current term of office. At the expiry of that term, the elected Governor's membership of the Committee will automatically expire and the Council of Governors will seek nominations for membership of that committee from among the elected Governors. The elected Governor who has already served on the committee will, if re-elected to the Council of Governors, be eligible to be nominated to serve on the committee again, coterminous with their further term of office.
- 56 If an elected or appointed Governor is unable to complete his appointed term of membership of a committee or group (i.e. as a result of illness, planned extended absence, etc), the committee or group may, at its discretion, appoint another elected or appointed Governor in their place. Where a sponsoring organisation for an appointed Governor has been invited by the Council of Governors to appoint a temporary replacement for the absent appointed Governor to membership of the Council of Governors, that person will take the absent Governor's place on any committees or groups to which they have been appointed for the duration of the appointed Governor's absence.
- 57 Where the role of Chair for a committee or group has been left vacant due to term of office ending for the previous incumbent, the committee or group will, as its first agenda item, appoint the Chair.

Confidentiality

- 58 A member of a committee or group shall not disclose a matter dealt with by, or brought before, the committee or group without its permission until the committee or group has reported to the Council of Governors or has otherwise concluded that matter. A Governor on a committee or group may pass on to other governors a synopsis of points which are relevant but shall first obtain permission from the Chair of the committee or group.
- 59 A Governor or a member of a committee or group shall not disclose any matter reported to the Council of Governors or otherwise dealt with by the committee or group, notwithstanding that the matter has been reported or action has been concluded, if the Council of Governors or committee or group shall resolve that it is confidential.
- 60 In relation to patient confidentiality, the provisions at Standing Orders 58 and 59 above for disclosure of information by Governors or members of committees established by the Council of Governors shall not apply, and such information shall not be disclosed under any circumstances.

SECTION D: APPOINTMENT OF THE CHAIR AND NON-EXECUTIVE DIRECTORS, VICE CHAIR AND LEAD GOVERNOR

61 An *ad hoc* sub-committee of the Nominations/Remuneration Committee will be formed on each occasion that it becomes necessary to appoint the Chair or a Non-executive Director. This sub-committee will, in each case, be known as the Appointment Committee. Whilst its membership will generally be drawn from the Nominations/Remuneration Committee, other Governors may also be members. The membership of the Appointment Committee will be decided by the Nominations/Remuneration Committee be subject to the approval of a majority of the Council of Governors present and able to vote.

The review of the Lead Governor is undertaken by the Chair with support and contribution from the Council of Governors. Removal of the Lead Governor would be through a recommendation received from the Nominations/Remuneration Committee which is considered and approved by 75% of the Council of Governors present at the meeting considering the recommendation.

65 The Lead Governor will act in place of the Chair at meetings of the Council of Governors where it is for the Chair to be present (or in his absence) and in the absence of the Vice Chair.

66 The Lead Governor will be a member of the Nominations/Remuneration Committee.

SECTION E: DISQUALIFICATION

- 67 Where a person has been elected or appointed to be a Governor and they become disqualified for appointment, under paragraphs 8.12 and 8.13 of the Constitution, they shall notify the Secretary in writing of such disqualification as required by paragraphs 8.12.2 and/or 8.13.2.
- 68 If it comes to the notice of Secretary that a person elected or appointed to be a Governor may be disqualified under paragraphs 8.12 and 8.13 of the Constitution from holding that office and the Secretary has not received a notice from that person, the Secretary will make such inquiries as they think fit and, if satisfied that the person may be so disqualified, the Secretary will advise the Chair so that the Chair can make a recommendation for disqualification to the Council of Governors. The recommendation will either be made to a general meeting or to a meeting called specifically for the purpose.
- 69 The Secretary shall give notice in writing to the person concerned that the Trust proposes to declare the person disqualified as a Governor. In this notice, the Secretary shall specify the grounds on which it appears to them that the person is disqualified and give that person a period of fourteen **(14)** clear days in which to make representations, orally or in writing, on the proposed disqualification.
- 70 The Chair's recommendations and any representations by the Governor concerned shall be provided to the Council of Governors. If the Council of Governors upholds the proposal to disqualify, the Secretary shall immediately declare that the person in question is disqualified and notify them in writing to that effect. On such declaration the person's tenure of office shall be terminated and they shall cease to act as a Governor.

Annex 4 Standing Orders - APPENDIX A

Procedure for the appointment of the Chair, Non-executive Directors of the Board of Directors and Vice Chair of the Board of Directors and Council of Governors

Appointment of the Chair and Non-executive Directors

The Council of Governors will appoint the Chair and the Non-executive Directors. These appointments will be made with the support of appropriate Directors and officers of the Trust.

When the appointment is for a Non-executive Director, the Chair will lead the process with the Governors. When the appointment is for the Chair, the Chair will not be involved and the process will be led by the Lead Governor with the support of the Vice Chair and other Directors and officers, as appropriate.

Below is a process agreed by the Council of Governors for the appointment of a Chair and Non-executive Directors.

During this process, a regular report will be received by the Council of Governors in private on the progress of the appointment.

Once it has been established that it will be necessary to run an appointment process and the Council of Governors have been informed, a consultation meeting will be convened and attended by the Nominations/Remuneration Committee, a representative from the Trust's Recruitment Department and the Secretary. Those present at this meeting will establish the outline timeline for appointment; review and amend the pro forma documentation – (the job description, (including the required level of commitment) person specification and recruitment pack); agree the competencies to be measured at an assessment centre; and agree the appointment of an external assessor to act as an advisor to the Appointment Committee.

In the case of a Non-executive Director appointment, the Chair will comment on the views of the existing members of the Board of Directors. This process will be led by the Chair as chair of the Nominations/Remuneration Committee and a report from the Chair will be presented to the next Council of Governors meeting.

In the case of a Chair appointment, the Vice Chair will provide the Nominations/Remuneration Committee with comments from the Board of Directors and the Lead Governor with the support of the Vice Chair will report to the Council of Governors.

The Secretary, a representative from the Trust's Organisational Development team and the representative from the Trust's Recruitment Department will prepare a recommendation on the measurements to be used for the agreed competencies for consideration by the Nominations/Remuneration Committee. The Nominations/Remuneration Committee will meet to discuss the recommendation

and agree the measures to be used. The Nominations/Remuneration Committee will also agree the finalised recruitment timetable and the proposed advert.

Long-listing will be undertaken by the representative from the Trust's Recruitment Department and the Secretary in accordance with criteria advised by the Nominations/Remuneration Committee. The Nominations/Remuneration Committee will be provided with reasons as to why candidates have been removed at long-listing stage and will review and amend the list, as necessary. The Nominations/Remuneration Committee will undertake the short-listing exercise and be advised by the external assessor wherever possible. The interview timetable will then be finalised.

The assessment centre work is to be undertaken in parallel with the work of the Nominations/Remuneration Committee. The results will be included in the information provided to the Appointment Committee.

The Appointment Committee may be split into two panels, if appropriate, with agreement as to what each panel will consider.

Once the interviews are held, the two panels (if used) will re-form the Appointment Committee and consider each of the candidates. The Appointment Committee will formalise a recommendation to be considered by the Council of Governors at their next meeting in private. Once the appointment has been made by the Council of Governors, the successful candidate will be informed. Arrangements will be made by the Secretary for the new Chair or Non-executive Director(s), as the case may be, to receive a full induction.

Term of Office of Non-executive Directors and the Chair

Each Non-executive Director including the Chair shall be eligible to serve six years. Any further extension will be assessed on a year by year basis subject to performance up until a maximum of a further 3 years.

Non-executive Directors, including the Chair, are appointed by the Council of Governors for specified terms, subject to re-appointment thereafter at intervals of no more than three years and subject to the National Health Service Act 2006 provisions relating to the removal of a Director. Re-appointment of the Chair or a Non-executive Director should only be made in exceptional circumstances and should be subject to particularly rigorous review to the extent that that individual has already served for six years (e.g. two three year terms), taking into account the need for progressive refreshing of the Board.

Appraisals

All Non-executive Directors including the Chair will undergo an annual appraisal, and other performance reviews as required. Where appropriate, mentoring and support shall be provided.

Appraisals and performance reviews for the Non-executive Directors are carried out by the Chair, and the results reported to the Nominations/Remuneration Committee and a recommendation-prepared for consideration by the full Council of Governors.

Appraisals and performance reviews for the Chair are carried out by the Senior Independent Director and the Lead Governor. The results are reported to the Nominations/Remuneration Committee and the Board of Directors and a recommendation prepared for consideration by the full Council of Governors.

Appointment of the Vice Chair of the Council of Governors and the Board of Directors

The Chair will develop a recommendation to present to the Council of Governors on the appointment of an appropriate Non-executive Director to fulfil the role of Vice Chair.

The Council of Governors will consider the recommendations and if appropriate approve the recommendation. The Board of Directors will also consider the same recommendation and if appropriate approve the appointment.

Annex 5

Standing Orders of the Board of Directors

Foreword

Within the Licence issued by NHSEI (formerly Monitor and NHS Improvement), the Sector Regulator, NHS Foundation Trusts are required to demonstrate appropriate arrangements to provide comprehensive governance arrangements in accordance with the National Health Service Act 2006 amended by Health and Social Care Act 2012.

Standing Orders (SOs) regulate the proceedings and business of the Trust and are part of its corporate governance arrangements. In addition, as part of accepted Codes of Conduct and Accountability arrangements, boards are expected to adopt schedules of reservation of powers and delegation of powers. These schedules are incorporated within the Trust's Scheme of Delegation.

These documents, together with Standing Financial Instructions, Standards of Business Conduct, Budgetary Control Procedures, the Fraud and Corruption Policy and the procedures for the Declaration of Interest provide a regulatory framework for the business conduct of the Trust. They fulfil the dual role of protecting the Trust's interests and protecting staff from possible accusation that they have acted less than properly.

The Standing Orders, Scheme of Delegation, Standing Financial Instructions and Budgetary Control Procedures provide a comprehensive business framework that can be applied to all activities, including those of the charitable Foundation. Members of the Board of Directors and all members of staff should be aware of the existence of and work to these documents.

Introduction

Statutory Framework

York and Scarborough Teaching Hospitals NHS Foundation Trust (the Trust) is a Public Benefit Corporation, which came into existence on 1 April 2021 pursuant to authorisation of NHSEI (formerly Monitor and NHS Improvement) under the Health and Social Care (Community Health and Standards) Act 2003 ("the 2003 Act") now superseded by the National Health Service Act 2006 ("the 2006 Act") and amended by Health and Social Care Act 2012.

The principal place of business of the Trust is:

York Hospital
Wigginton Road
YORK
YO31 8HE

For administrative purposes, York Hospital is the Trust Headquarters.

NHS Foundation Trusts are governed by the National Health Service Act 2006 amended by the Health and Social Care Act 2012.

The functions of the Trust are conferred by this legislation and the Licence.

As a statutory body, the Trust has specified powers to contract in its own name.

The Trust also has statutory powers under Chapter 5 of the National Health Service Act 2006, to fund projects jointly planned with local authorities, voluntary organisations and other bodies.

The Code of Accountability requires the Trust to adopt Standing Orders for the regulation of its proceedings and business. The Trust must also adopt Standing Financial Instructions (SFIs) as an integral part of Standing Orders setting out the responsibilities of individuals.

The business of the Trust is to be managed by the Board of Directors, who shall exercise all the powers of the Trust, subject to any exception in the National Health Service Act 2006 amended by the Health and Social Care Act 2012 or the Trust's Constitution. In accordance with the National Health Service Act 2006 amended by the Health and Social Care Act 2012, the following are set out in detail in the constitution:

- The composition of the Board of Directors
- Appointment, removal and terms of office of the Chair, other Non-executive Directors and the Chief Executive
- Eligibility and disqualification of Directors and Governors
- Meetings of the board of directors
- Conflicts of interest of the directors
- Registers
- Public Documents
- Expenses

These Standing Orders add clarity and detail where appropriate. Nothing in these Standing Orders shall override the Trust's constitution and the 2006 Act amended by 2012 Act.

The Regulatory Framework requires the Board of Directors of the Trust to adopt Standing Orders for the regulation of its proceedings and business. The Trust's Standing Orders and wider governance arrangements are further supported by various policies and procedures and for financial matters, by the Standing Financial Instructions and associated finance procedures. Certain powers are reserved to be exercised by the Board only, and these are covered by the Reservation of Powers and Scheme of Delegation for the Board. All other matters are delegated via the Chief Executive and Executive Directors to other Directors or Officers throughout the Trust, in accordance with the detailed Scheme of Delegation.

NHS Framework

The Code of Accountability requires that, inter alia, Boards of Directors draw up a schedule of decisions reserved to that Board, and ensure that management arrangements are in place to enable responsibility to be clearly delegated appropriately.

The constitution requires the Trust to adopt Standing Orders for the regulation of its proceedings and business. The Trust must also adopt Standing Financial Instructions (SFIs) as an integral part of Standing Orders setting out the responsibilities of individuals.

NHSEI's (formerly Monitor's and NHS Improvement's) Code of Governance requires that Boards draw up a schedule of decisions reserved to the Board, and ensure that management arrangements are in place to enable responsibility to be clearly delegated to staff. The Schedule of Decisions reserved to the Board and the Scheme of Delegation form part of the Standing Orders. Audit and Remuneration Committees with formally agreed terms of reference are established under the constitution.

The Code of Practice on Openness in the NHS sets out the requirements for public access to information on the NHS subject for example to the Freedom of Information Act 2000.

If the Chair or a Director has been disqualified from participating in the discussion on any matter and/or from voting on any resolution by reason of the declaration of a conflict of interest (see SO 6 or 7) they shall no longer count towards the quorum. If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business. The above requirement for at least two Executive Directors to form part of the quorum shall not apply where the Executive Directors are excluded from a meeting.

The powers which the Board of Directors has retained to itself within these Standing Orders may in emergency be exercised by the Chief Executive and the Chair after having consulted at least two Non-executive Directors. The exercise of such powers by the Chief Executive and the Chair shall be reported to the next formal meeting of the Board of Directors for ratification.

4.2 Delegation to Committees

The Board of Directors shall agree, as and when it deems appropriate, to the delegation of executive powers to be exercised by committees, sub-committees or groups, which it has formally constituted. 4.3 Delegation to Officers

Those functions of the Trust which have not been retained as reserved by the Board of Directors or delegated to an executive committee or sub-committee shall be

The Chief Executive shall prepare a Scheme of Delegation (which is set out in the Standing Financial Instructions) identifying proposals which shall be considered and approved by the Board of Directors, subject to any amendment agreed during the discussion. The Chief Executive may periodically propose amendment to the Scheme of Delegation, which shall be considered and approved by the Board of Directors as indicated above.

Nothing in the Scheme of Delegation shall impair the discharge of the direct accountability to the Board of Directors or the Finance Director or other Executive Director (this is because the Scheme of Delegation does not discharge accountability to Non-executive Directors to provide information and advise the Board of Directors in accordance with any statutory requirements. Outside these statutory requirements the roles of the Finance Director shall be accountable to the Chief Executive for operational matters.

The arrangements made by the Board of Directors as set out in the Scheme of Delegation shall have effect as if incorporated in these Standing Orders.

4.4 Overriding Standing Orders

If for any reason these Standing Orders are not complied with, full details of the non-compliance and any justification for non-compliance and the circumstances around the non-compliance, shall be reported to the next formal meeting of the Board of Directors for action or ratification. All members of the Board of Directors, Council of Governors and staff have a duty to disclose any non-compliance with these Standing Orders to the Chief Executive as soon as possible.

5. Committees

5.1 Appointment of Committees

Subject to the Licence and the Constitution and any direction given by NHSEI (formerly Monitor and NHS Improvement), the Board of Directors may and, if directed by NHSEI (formerly Monitor and NHS Improvement) shall, appoint committees of the Trust, consisting wholly (or partly) of Directors of the Trust. The Board of Directors may only delegate its powers to such a committee if that committee consists entirely of Board Directors.

A committee or joint committee appointed under this regulation may, subject to such directions as may be given by the regulator, and in accordance with the Constitution, appoint sub-committees consisting wholly or partly of members of the committee (whether or not they are Directors of the Trust); or wholly of persons who are not Directors of the Trust.

The Standing Orders of the Trust, as far as they are applicable, shall apply with appropriate alteration to meetings of any committees or sub-committees established by

the Board of Directors. In which case the term “Chair” is to be read as a reference to the Chair of the committee or sub-committee as the context permits, and the term “Director” is to be read as a reference to a member of the committee also as the context permits. (There is no requirement to hold meetings of committees established by the Trust in public).

Each such committee, sub-committee or group shall have such terms of reference and powers and be subject to such conditions (as to reporting back to the Board of Directors), as the Board of Directors shall decide and shall be in accordance with any legislation and regulation [or direction issued by the regulator]. Such terms of reference shall have effect as if incorporated into the Standing Orders.

The Board of Directors shall approve the appointments to each of the committees, sub-committees or group, which it has formally constituted. Where the Board of Directors determines, and regulations permit, that persons, who are neither Directors nor Officers, shall be appointed to a committee the terms of such appointment shall be within the powers of the Board of Directors as defined by the Licence and Constitution. The Board of Directors shall define the powers of such appointees and shall agree allowances, including reimbursement for loss of earnings, and/or expenses in accordance where appropriate with its constitution.

The committees and sub-committees established by the Trust are:

- Group Audit Committee
- Remuneration Committee
- Quality Committee
- Resources Committee
- Digital Sub-Committee
- Patient Safety and Clinical Effectiveness Sub-Committee
- Patient Experience Sub-Committee

Such other committees may be established, as required, to discharge the Board's responsibilities.

5.2 Confidentiality

A member of a committee, sub-committee or group shall not disclose a matter dealt with by, or brought before, the committee without its permission until the committee shall have reported to the Board of Directors or shall otherwise have concluded on that matter.

A Director of the Trust or a member of a committee or sub-committee shall not disclose any matter reported to the Board of Directors or otherwise dealt with by the committee or sub-committee, notwithstanding that the matter has been reported or action has been concluded, if that Board or committee shall resolve that it is confidential.

6. Declarations of Interest

The Constitution requires members of the Board of Directors to declare interests, which are relevant and material to the Board of Directors. All existing Directors should declare such interests. Any Directors appointed subsequently should do so on appointment.

Interests, which should be regarded as “relevant and material”, are:

- a) Directorships, including Non-executive Directorships held in private companies or PLCs (with the exception of those of dormant companies).
- b) Ownership or part-ownership or directorship of private companies, businesses or consultancies likely or possibly seeking to do business with the NHS.
- c) Majority or controlling share holdings in organisations likely or possibly seeking to do business with the NHS.
- d) A position of authority in a charity or voluntary organisation in the field of health and social care.
- e) Any connection with a voluntary or other organisation contracting for NHS services or commissioning NHS services.
- f) Any connection with an organisation, entity or company considering entering into or having entered into a financial arrangement with the NHS Foundation Trust, including but not limited to, lenders or banks.

The register of Directors' interests will include as appropriate all interests of directors and their close family members where they have control, joint control or a significant influence, regardless of whether this is in relation to healthcare

If Board Members have any doubt about the relevance of an interest, advice should be sought from the Foundation Trust Secretary, who has a duty to report and discuss such matters with the Chair. Financial Reporting Standard No 8 (issued by the Accounting Standards Board) specifies that influence rather than the immediacy of the relationship is more important in assessing the relevance of an interest. The interests of partners in professional partnerships including general practitioners should also be considered.

A register of Directors' interests will be maintained and held by the Foundation Trust Secretary and presented monthly to the Board of Directors. This will be formally recorded in the minutes. Any changes in interests should be officially declared to the Foundation Trust Secretary where an appropriate amendment will be made and the updated register presented at the next Board of Directors meeting following the change occurring.

Directors' Directorships of companies in 6.2.a above likely or possibly seeking to do business with the NHS (6.2.b above) should be published in the Annual Report. The information should be kept up to date for inclusion in succeeding Annual Reports.

During the course of a Board of Directors meeting, if a conflict of interest is established, the Director concerned should withdraw from the meeting and play no part in the relevant

discussion or decision. For the avoidance of doubt, this includes voting on such an issue where a conflict is established. If there is a dispute as to whether a conflict of interest does exist, the majority will resolve the issue with the Chair having the casting vote.

7. Disability of Chair and Directors in procedures on account of pecuniary interest

Subject to the following provisions of this Standing Order, if the Chair or a Director of the Trust has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at a meeting of the Trust at which the contract or other matter is the subject of consideration, he shall at the meeting and as soon as practicable after its commencement disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.

The Board of Directors may exclude the Chair or a Director of that Board from a meeting of that Board while any contract, proposed contract or other matter in which he has a pecuniary interest, is under consideration.

Any remuneration, compensation or allowances payable to the Chair or a Non-executive Director in accordance with the Constitution shall not be treated as a pecuniary interest for the purpose of this Standing Order.

For the purpose of this Standing Order the Chair or a Director shall be treated, subject to SO 7.2 and SO 7.6, as having indirectly a pecuniary interest in a contract, proposed contract or other matter, if:

(a) he, or a nominee of his, is a Director of a company or other body, not being a public body, with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration;
or

(b) he is a partner of, or is in the employment of a person with whom the contract was made or is proposed to be made or who has a direct pecuniary interest in the other matter under consideration;

and in the case of married persons living together the interest of one spouse shall, if known to the other, be deemed for the purposes of this Standing Order to be also an interest of the other.

The Chair or a Director shall not be treated as having a pecuniary interest in any, proposed contract or other matter by reason only:

(a) of membership of a company or other body, if there is no beneficial interest in any securities of that company or other body;

(b) of an interest in any company, body or person with which he is connected as mentioned in SO 7.5 above which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a Director in the consideration or discussion of or in voting on, any question with respect to that contract or matter.

Where the Chair or a Director:

- (a) has an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and
- (b) the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company or body, whichever is the less, and
- (c) if the share capital is of more than one class, the total nominal value of shares of any one class in which he/she has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class.

This Standing Order shall not prohibit him/her from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it without prejudice however to his/her duty to disclose his/her interest.

This Standing Order applies to a committee or sub-committee as it applies to the Board of Directors and applies to any member of any such committee or sub-committee (whether or not he/she is also a Director of the Trust) as it applies to a Director.

The Chief Executive or nominated officers shall be authorised, by resolution of the Board of Directors, to sign on behalf of the Trust any agreement or other document (not required to be executed as a deed) the subject matter of which has been approved by
